

# Your choice for secondary education

A guide for parents with  
children transferring to  
secondary school 2025

City of Westminster  
Schools

## FOREWORD

Dear Parents and Carers,

Our schools in Westminster play such an important role in making all young people feel welcome and in offering safe and supportive spaces for children to build bright futures. We are so proud of the resilience our schools, students, and educators have maintained throughout recent challenges, including the pandemic and cost of living crisis.

Our secondary schools offer a broad and balanced curriculum and extensive extra-curricular provision including arts, sports and music, and work with a diverse range of educational partners and support students to explore higher education, apprenticeships and career opportunities.

Evidence of our successes are shown in the results we see from our schools. I am delighted that over 90% of City of Westminster schools have been judged outstanding or good by Ofsted, and our primary schools consistently perform above the national average in reading, writing and maths.

This brochure provides all the information you need to consider before taking the step to applying for schools in Westminster. You will also find basic information about all the primary schools located in Westminster and their admission criteria.

The Admissions Team is happy to advise you and contact details can be found on page 4. Whichever City of Westminster school you choose, incredible days are ahead for your child.

**Cllr Aicha Less**

Deputy Leader and Cabinet Member  
for Children and Public Protection

**Sarah Newman**

Executive Director,  
Bi-Borough Children's Services

The information provided in this brochure is correct at the time of publication in August 2024. The admissions process and school admission arrangements are set out in accordance with the current Admissions Code (2021), Section 84 of the School Standards and Framework Act 1998.

Any corrections, updates and additions will be published on our website: [westminster.gov.uk/admissions](https://westminster.gov.uk/admissions)

## INTRODUCTION TO WESTMINSTER'S SECONDARY SCHOOLS

This brochure is for parents of pupils aged between 11 and 16, focusing on children transferring from primary to secondary school. It provides information about how and when to apply for a place, explains how admission decisions are made and gives information about each school to help parents decide which schools to apply for.

There are currently 10 State maintained secondary schools and Academies in Westminster, and one All-through school. Five of the schools are denominational or church schools. This means they have a religious foundation, (Catholic or Church of England).

It is important to check the admission criteria for each school to assess whether your child is likely to be offered a place. You can also find information on the number of applications each school received for admission in September 2024. The higher the number of applications, the harder it will be to gain a place, so looking at each school's criteria becomes even more important.

You need to be aware that the outcome can be different each year depending on the number and types of applications (e.g. the number of siblings).

This information is therefore provided as a guide to help you to make an informed decision.

When considering your preferences, do not rely solely on what you may have heard about a school's reputation. Visit as many schools as possible on their open days or evenings. Take your son or daughter with you and, if you can, visit the school when it is at work.

Further details about each school can be found further on in this brochure. Each school also issues its own prospectus, available directly from the school.

Open days or evenings are one of the best ways to find out more about a school. Details of when these take place are contained in each school's section.

Many of the questions parents raise are answered in this brochure, but if you need further information, the Admissions Team will be pleased to help.

## PAN-LONDON SYSTEM

All 33 London boroughs, together with councils bordering the capital, use a Pan-London system to coordinate admissions to their secondary schools.

In 2024, 90,348 secondary school applications were submitted as part of the Pan-London coordinated system. There was a 2.5% decrease in applications for London secondary schools.

This coordinated admissions system is fairer and means more parents are offered one of their preferred schools at an earlier stage and fewer parents receive no initial offer at all. It is also easier for parents to manage, reducing anxiety for you and your children.

### HOW THE SYSTEM WORKS

Under the Pan-London Coordinated Admissions System (PLCAS), all parents must list the schools they want to apply for on their local authority's common application form, ranking them in order of preference. This is important, as potentially only one offer will be made and this will be for the highest-ranked school able to make the offer. This form (either paper or online) is returned to the local authority for the area in which the child lives.

The local authorities taking part in the PLCAS then use a secure computerised system to pass on details of the applications for schools in other areas. They will also coordinate the offer of places to make sure no child is offered more than one school place. The decision on whether a place can be offered will continue to be made by the Admission Authority for each school. When a school receives more applications than places available (also referred to as oversubscribed), its published admissions criteria will be used to decide the order in which applicants will be offered places.

Schools will not be informed of where they are listed on the application form or other schools that have been applied for.

Where a child is eligible to be offered a place at more than one school, the local authority will hold the offer for the highest preference on the parents' form and release all other lower preference offers. These places can then be offered to other applicants. Potential offers are exchanged between local authorities until they are in a position to make the single best offer to parents using all available places. All offers will be made on the same day, **3 March 2025**.

## GATHERING INFORMATION

To make an informed decision about which secondary schools to apply for, you are advised to read the information about the schools in this brochure and research the schools you are interested in applying to.

You are advised to:

- Contact schools you are interested in directly to ask for a copy of their prospectus.
- Visit schools' own websites to find out more detailed information. If you want to find out about Ofsted reports for Westminster schools visit [ofsted.gov.uk](https://ofsted.gov.uk)
- Check how many places were offered last year for schools that offer on distance by viewing the 'distance maps' on the council website: [westminster.gov.uk/children-and-families/education/school-admissions/cut-distance-maps-school-admissions](https://westminster.gov.uk/children-and-families/education/school-admissions/cut-distance-maps-school-admissions)
- Arrange to attend schools' open days and evenings. These can be found in the individual school section of this brochure on pages 22–49.
- Talk to your child's primary school headteacher. They will have experience of previous transfers.
- Contact the Admissions Team for advice if you are unclear as to how the system works on **020 7745 6433** or email your query to [schooladmissions@westminster.gov.uk](mailto:schooladmissions@westminster.gov.uk)

## CONSIDERING THE FACTS

Many schools receive more applications than they have places (also referred to as oversubscribed). To avoid disappointment you should consider whether your child has a realistic chance of gaining a place at your preferred school(s).

You are advised to consider the following:

- Look at how many applications were made for your preferred school(s) last year compared to how many places were available. This information can be found in the individual school section of this brochure. The same information can be found for schools in other boroughs in their equivalent brochure. It is important to note the pattern of admissions can vary from year to year. As an example, living within the distance in which places were offered in a previous year does not guarantee a place will be offered in this year or future years.
- As indicated above, you can also view the distance maps on the council website. Maps are also available for schools located in Kensington and Chelsea by contacting the Admissions Team.

- You must read the admission criteria for the school(s) you would like to apply to. The criteria will determine the order of priority for each applicant. As an example, church schools will prioritise applicants who meet the respective faith criteria if that school receives more applications than places available.
- Not all schools give priority to children with siblings already attending the school, so you will need to check the admission criteria.
- All church schools (and some academies and foundation schools outside the borough) have additional supplementary forms to complete, which are available directly from the schools. Supplementary Information Forms must be returned to the school. The schools in Westminster that require you to complete supplementary forms will be indicated in the schools section.
- Within the schools section in this brochure you will see how many appeals were submitted for each school and the numbers that were successful, which will be very few. Be realistic: remember you can state up to six preferences. Even after you have researched the schools and you have decided where to apply, you should not assume your child will be offered a place. You should also consider other schools where you know you will have a good chance of gaining a place. Naming other schools will not affect your chances of being offered a place at a higher-preference school.
- Schools are not informed of other preferences you have made or the order you place them.
- The preferences you make are treated equally. This means no matter where you place a school in your list of preferences, it will be treated in the same way as all other applicants who also chose that school, regardless of where they have placed the school in their list.

- The reason it is so important to list the schools in your order of preference is that when results are returned to the Admissions Team, we may receive offers for more than one of your preferences. As only one offer can be made to your child, you will be offered the highest school possible from the list you provided. Any offers made lower in your list will be withdrawn and put back in the system. Take special care how you order your preferences.

### APPLYING FOR SCHOOLS OUTSIDE WESTMINSTER

You may also wish to consider schools outside the borough. Under the PLCAS, Westminster residents can apply for schools anywhere in London and this will need to be listed on your application. Detailed information about schools outside the borough will be available directly from the schools and from the local authority for the area in which they are located.

The contact details for all London boroughs are provided on page 61. Please remember to check the admission criteria to assess whether your child is likely to be offered a place.

## THE APPLICATION PROCESS

### CLOSING DATE FOR APPLICATIONS

The closing date for applications is **Thursday 31 October 2024**. For all the reasons detailed on page 14 it is highly recommended that you apply online at [eadmissions.org.uk](https://eadmissions.org.uk)

If you would prefer to complete a paper form, must return it by the closing date to the address shown on the form. If you would like confirmation we have received your application, please indicate this when you submit the form. Make sure you use the correct postage if you return your form through the post. Incorrect postage may delay your application, preventing it from reaching the Admissions Team by the closing date.

### PROOF OF ADDRESS

The address you provide on your application must be your child's permanent address on close of applications, **31 October 2024**. You must not use a business address, childminders' or relatives' address, or any address other than your home address. Only in circumstances where the relative or carer has legal guardianship and is the main carer will a different address be considered as the main residence. Evidence will be requested to support this arrangement.

If you have a genuine 50/50 share care arrangement with your child's other parent, it will be for you to determine the address that will be used as the main address for your child's application. Only one address will be used throughout the application process. If you are unable to agree on which address to use, the address of the parent making the Child Benefit claim will be used for the purpose of the application. In the situation where there are ongoing Family Court proceedings, the Council will consider the approach to be taken for processing on a case by case basis.

You do not need to provide us with documentary evidence of your address. Your details will be cross-referenced with internal council databases, and if we are unable to verify your address we will contact you for more information. If you are not registered to pay council tax, either because you are not liable or have recently moved, you will be asked to provide one or more of the following:

- A mortgage statement/tenancy agreement.
- A recent utility bill or, if you have moved, your closure bill at your previous address.
- A Child Benefit/Inland Revenue document (if entitlement applies).
- For members of the UK Armed Forces and Crown Servants, an official letter confirming the address of your quarters. This can be provided before you have relocated to ensure your application is not disadvantaged.

If you own or rent more than one property you should state this on your form. You will also need to provide proof of residence and occupancy for the address at which your child lives most of the time and is considered as the main family home.

If you move into a second property for a temporary period purely for the purpose of trying to be nearer to a school, we will use your normal, permanent residence for the purpose of processing the application.

### CHANGE OF ADDRESS

Any offer made to your child on **Monday 3 March 2025** is based on the address you indicated on your application. If you do not inform us of a change of address, any offer that is made to your child for a school that you would not have been eligible for will be withdrawn.

You must notify the Admissions Team if you move address. Your new address will not be updated until proof has been provided. If you move **after 10 December 2024**, your address will not be updated as the process for allocating places would have already started. We are able to send you correspondence to your new address, but your application will be processed using the address you submitted at the close of applications.

### FRAUDULENT APPLICATIONS

Westminster City Council takes very seriously any attempt to obtain a school place by fraud. All cases are fully investigated and the use of internal and external agencies has improved detection rates.

Council officers will carry out unannounced address visits as appropriate.

If you know someone who intends to or has used a false address to get a school place, you can report this confidentially to the Admissions Team on **020 7745 6433** or email [schooladmissions@westminster.gov.uk](mailto:schooladmissions@westminster.gov.uk)

You do not need to give your name but please provide as much information as possible so that we can investigate the matter fully.

If we find a school place was obtained using a false address we will withdraw the offer, even after the child has started school, and re-offer to a child who was entitled to the place.

If it is decided not to remove the offer, normally when the child has been on roll for more than one term, any future sibling link will not apply.

## EXCEPTIONAL NEED

All schools have experience in dealing with children with diverse needs. These may be educational, medical and/or social needs. However, in a very few exceptional cases there may be reasons why a child may need to attend a specific school. If you feel there are exceptional reasons for your child to be considered for a priority placement at a particular school, you must indicate this in the area provided in your application, giving reasons supporting your case. **Please be aware not all schools have this criterion in their policy, so it is advised you check this first.**

All requests for priority consideration must be supported by a professional, such as a doctor or social worker, who must clarify which school you are making a special case for, the reason why it is necessary for your child to attend this school in particular and the difficulties it will cause your child to attend another school.

It is for you to decide how to support your case and what documents to provide, but these must be submitted by the closing date, **31 October 2024**. The Admissions Team is not responsible for contacting professionals for information about your case and any decision will be based on documents you submit by the closing date.

For own Admission Authority schools, and schools located in other areas, any additional documentation you provide will be passed on for the respective school's attention via the secure Pan-London system.

The notification date is **3 March 2025**. You will not be advised before this date whether your request for priority is agreed. If priority is not granted, your application will be considered against the remaining criteria for the requested school.

It is important to be aware very few cases are agreed under this category. The Admission Authority must be able to justify awarding priority for a child above other applicants. It will need to be agreed by those making the decision that the professional support provided clearly makes a case that the needs of the child can only be met at the school required as opposed to another local school.

## ADDITIONAL FORMS TO COMPLETE

All Westminster voluntary aided schools have additional Supplementary Information Forms (SIF), Priest Reference Form and/or Certificate of Catholic Practice (CCP) to complete, which are available directly from the schools or at [westminster.gov.uk/admissions](https://westminster.gov.uk/admissions)

These forms are necessary for the school governors to determine whether applicants meet their faith requirements or other criteria. If you are applying for a place on religious grounds, you will be required to provide proof of your church attendance and/or religious commitment.

The SIF and all additional documents required must be returned to the school. The same will apply for church schools located in neighbouring local authorities. If you name the school on your application and do not complete a SIF, your child will be considered but it will reduce the chance of your child being offered a place. The school will not have any information to consider when judging your application against its admission criteria and, as such, your application will be ranked very low when decisions are made. It is therefore important you complete the required forms.

## APPLICATIONS FOR CHILDREN LIVING ABROAD

Applications submitted by resident families working or temporarily living abroad will be processed with all other applicants and must be submitted by the closing date. The address where the child is living at the time of application and at the closing date will be used for the purpose of processing. The applicant must inform the Admissions Team on their return for the address to be updated. Proof of address and occupancy will be required.

## MEMBERS OF THE UK ARMED FORCES AND CROWN SERVANTS

For families of service personnel (UK Armed Forces) and Crown Servants, the Council will ensure that your application to school is not disadvantaged if you are not living in the area at the time you are required to apply. In order for your application to be processed alongside all other applicants, you will need to provide an official letter that declares a relocation date. Your application will be processed using the address at which your child will live when applying the school's oversubscription criteria, including the use of a Unit or Quarters address if requested. You will need to provide some evidence of the intended address.

Further guidance is provided by the Department for Education as follows: **Guidance for Members of the UK Armed Forces and Crown Servants.**

## LATE APPLICATIONS

If you apply after the closing date without a valid reason, your application will only be considered after the offer date, **3 March 2025**. Your child's name will be added to waiting lists along with those unsuccessful applications considered in the initial allocation round.

If there is an exceptional reason for applying after the closing date and **by 10 December 2024** (for example, you have just moved to the area), it may be possible to consider your application with those that were made on time. Other circumstances will be considered and each case decided on its own merit.

Examples of reasons that would **not** be accepted include failure of a primary school to remind a parent to apply, late return from a family holiday or non-receipt of an application form due to postal issues. You are advised to contact the Admissions Team as soon as possible if submitting an application after the closing date.

## CHANGE OF PREFERENCES

If you wish to change the order of preference of schools listed on your application form, and you applied online, you can log back in to your account to change/add/delete preferences up until the closing date. If you did not apply online, you must email [schooladmissions@westminster.gov.uk](mailto:schooladmissions@westminster.gov.uk) or write to the Admissions Team before the closing date.

It is not normally possible to accept any changes after the closing date. If you do want to add preferences or change your order of preferences after this date, you must inform the Admissions Team. In most cases new or changed preferences will be considered only after all other applications have been considered.

## USING YOUR PERSONAL INFORMATION

Westminster City Council will handle information you have provided for school admission purposes accordance with General Data Protection Regulations (GDPR). Please refer to page 56–57 for the full Privacy Notice.

## GUIDANCE ON COMPLETING YOUR APPLICATION (PAPER OR ONLINE)

The online application is set out in a similar way to the paper form. The following guidance applies to both:

- Naming only the school you most want for your child will not increase his or her chance of being offered a place. It is therefore advised you name further preferences and ones you consider to be realistic options.
- If we receive more than one application for your child, the most recently dated application will be the one we process.
- Because of the demand for places at the most popular schools, your child may not be offered a place at your first preference.

### Your child's name

Please write your child's name clearly and use the same name you have registered with your child's primary school.

### Your child's date of birth

You should only be applying if your child is currently in Year 6 in primary school and their date of birth is between **1 September 2013** and **31 August 2014**. If your child is in Year 6 and does not fall in this birth range, please speak to your primary school headteacher before completing the application.

### Your child's home address

The address you give must be your child's permanent address on the closing date for applications. Please see page 9 for more information.

### Your child's primary school

You must include the name of the primary school your child currently attends. If your child is being educated at home, please state this in the space provided.

### Details of parent or carer

This section needs to be completed by the parent or carer of the child, who will also need to indicate they have parental responsibility. Only one parent needs to complete this section but you can indicate the name of the other parent in the space provided if you wish.

### Relationship to child

Please indicate your relationship to the child (e.g. mother, father, grandmother, foster carer).

### Children with an Education, Health and Care (EHC) plan

You do not need to complete this application if your child has an EHC plan as there is a separate process that is outlined on page 55 in this brochure. If your child is in the process of being assessed for an EHC plan, please complete this application and make us aware of the circumstances. Doing so will ensure the school that is eventually offered to your child is fully aware before admission and can plan accordingly to be able to meet your child's needs.

### Looked After Children

Looked After Children (also referred to as in "Public Care") and children who have been adopted or made subject to a child arrangement order or a special guardianship order immediately after having been Looked After. Internationally adopted previously looked after children who have been in state care outside of England and ceased to be in state care as a result of being adopted. The child's social worker/adoption agency must submit a letter to the Admissions Team confirming the legal status of the child and the local authority to which the child is/was in care, and quoting the child's full name and current address.

### Exceptional Need

All schools have experience in dealing with children with diverse needs. These could be educational, medical and/or social needs. However, in very few exceptional cases, there may be reasons why a child may need to attend a specific school. Please refer to page 10 for further information.

### School preferences

You can list up to six maintained schools, including any voluntary aided (church) schools, foundation schools, Free Schools and Academies, and any schools in neighbouring local authorities, in order of your preference. Please do not name independent/private fee-paying schools on this form – applications to these must be made separately.

You do not have to name six schools, but it is strongly advised you name as many preferences as possible and include at least one school where you have a good chance of being offered a place.

You will need to read the admission criteria for the schools to determine the likelihood you have of gaining a place. Applying for only one school will not improve your chances of gaining a place at that school.

### Siblings (brothers or sisters)

If your child has a brother or sister who is currently on roll, and will continue to be so, at one of your preferred schools at the time of admission for the child you are applying for, you must include their details where requested.

Relatives such as cousins, uncles and aunts are not considered as siblings, even if they are living at the same address.

Please be aware the definition of sibling can vary, so you are strongly advised to check with relevant boroughs or schools for their definition and if the school gives priority to siblings.

### Siblings of former pupils

Some schools give priority to siblings of former pupils in their admission criteria. This does not apply to all schools, so check the criteria for the school you are applying to. If you are applying under this criterion please list the name and date of birth of the former sibling and the school they attended in the relevant box.

### Children of school staff

Some schools give priority in their admission criteria to children of staff. This does not apply to all schools, so check the criteria for the school you are applying to. Please indicate in the relevant section if you are applying under this criterion, naming the school you are applying for. You must also provide supporting evidence from the school.

### Reasons for preference

Please note schools can only use their published admission criteria to decide which children qualify for a place. It is therefore not necessary to give reasons for your preferences. If, however, there are medical or social reasons why your child should attend the school you have named, please indicate these, as outlined above.

### Declaration and signature of parent or carer

You must sign your application to certify you have parental responsibility for the child for whom you are applying and the address on the application is the main residence of the child. If you provide any false or misleading information on the application or in supporting papers, or withhold relevant information, it may render your application invalid and lead to the withdrawal of an offer of a place.

## STEP-BY-STEP GUIDE TO APPLYING ONLINE

If you are a Westminster resident you must complete Westminster's common application form to apply for a secondary school place. We recommend you apply online at [westminster.gov.uk/admissions](https://westminster.gov.uk/admissions)

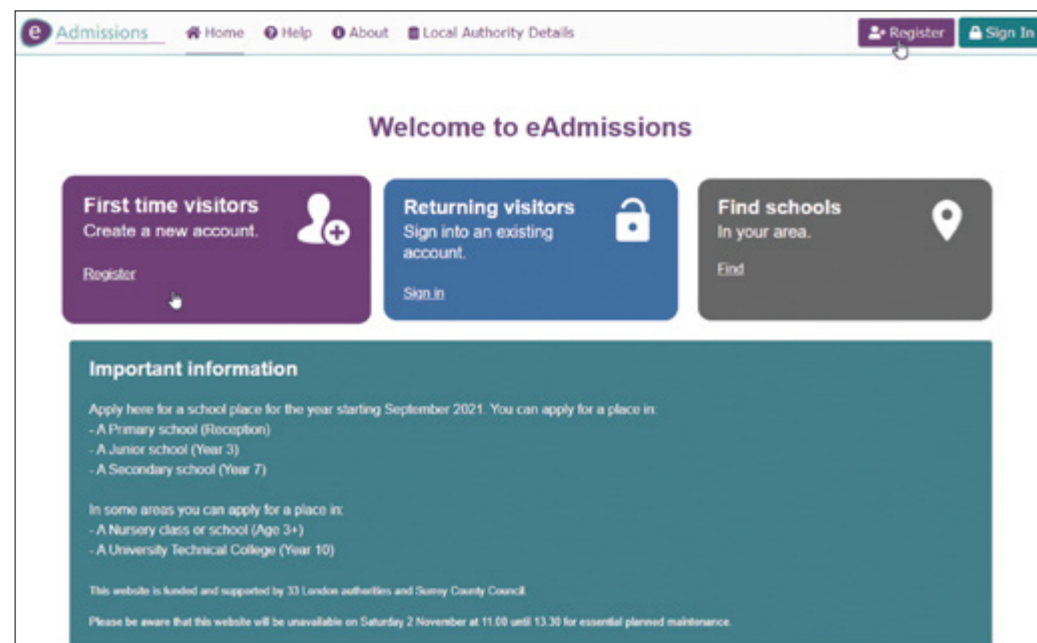

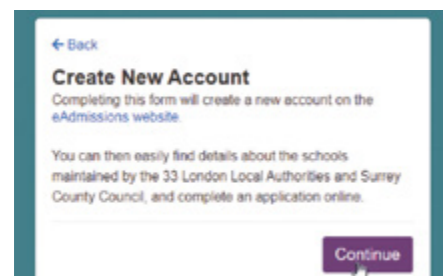

The council will coordinate the admission process with the other 32 London boroughs and neighbouring authorities to ensure no child receives more than one offer of a place at a secondary school in London on **3 March 2025**. The one offer received will be for the highest preference school for which your child is eligible.

You will have the opportunity to express a preference for up to six secondary schools, Academies and Free Schools, including schools outside Westminster. You must list them in order of preference. This means you should put your first preference (i.e. the school you most want your child to go to) at the top of the list, your second preference below and then continue adding any further preferences you would like to make. It is vital you put your school preferences in the order you would like them.

### Why apply online?

- It is quick and easy to do.
- You can log back on to change or delete preferences until 11.59pm on the closing date of **31 October 2024** (ensure you resubmit your application if making changes).
- You are able to attach additional documents.
- You can register your mobile phone to receive reminder alerts.
- You will automatically receive a confirmation email once you submit your application.
- During the evening of **3 March 2025** you will receive an email with the outcome of your application. Please wait until you have received the email before logging onto the Pan-London eAdmissions website.
- You will be able to accept or decline an offer of a school place online.

**If you apply online, you must not complete a paper application form.**

## HOW DECISIONS ARE MADE

### THE PROCESS

The Admissions Team will process any preferences you have made for Westminster schools and pass on your child's details to schools that are responsible for their own admissions. If you have applied for schools that are not located in Westminster, your preference(s) will be passed to the local authority that maintains those schools. At the same time, the Admissions Team will receive applications for Westminster schools from residents in other local authorities. All these operations will be carried out via the Pan-London Coordinated Admissions System.

The order of your preferences is not revealed to the schools. This information is only known by your home local authority and the authority where the schools are located.

If any school has more applicants than places available, the published admission criteria will be used to decide the order in which applicants will be offered places. The same process is carried out across London and decisions are made by all Admission Authorities by a common deadline and relayed back to the home local authority. This coordinated process eliminates multiple offers and will result in your child being offered the highest potential school you named in your list of preferences (if an offer can be made). Examples are shown in the following tables.

#### Example 1

Preference rank	School	Potential offer	Outcome
1st	School A	Yes	Place offered
2nd	School B	Yes	Withdrawn as higher offer met
3rd	School C	Yes	Withdrawn as higher offer met
4th	School D	Yes	Withdrawn as higher offer met
5th	School E	No	Withdrawn as higher offer met
6th	School F	Yes	Withdrawn as higher offer met

#### Example 2

Preference rank	School	Potential offer	Outcome
1st	School A	No	Placed on waiting list
2nd	School B	Yes	Place offered
3rd	School C	No	Withdrawn as higher offer met
4th	School D	Yes	Withdrawn as higher offer met
5th	No preference made		
6th	No preference made		

You need to be realistic when deciding your school preferences. The following are examples of why an offer may not be made to your child if a school is oversubscribed:

- Other applicants live closer to the school and distance is the tie-breaker.
- You applied for Church school(s) but other applicants had priority in a higher faith category which meant lower categories in the criteria were not reached.
- You live close to the school, or meet the faith criteria, but the tie breaker used is random allocation (lottery).

A breakdown of last year's admissions to each Westminster school is included in the schools section of this brochure. You will find this information is available for all schools in the respective local authority brochure, which can be accessed online. Neighbouring London local authority website addresses and contact details can be found on page 59.

### NOTIFYING YOU OF THE OUTCOME

If you made your application online, you will be able to log on to the eAdmissions site using your username and password during the evening of **3 March 2025** to view the outcome of your application and accept or decline any offer made. Letters will only be sent in the post to residents that completed the paper application form.

These letters will be sent on 1 March first class. The notification letter will include a reply slip.

If you are not offered your first preference school, you will be provided with the following information:

- The name of the school that can offer you a place. If it has not been possible to offer any of the schools you applied for, the nearest alternative school will be offered to you, if there is one available.
- That any preferences for schools listed lower than the school offered have been withdrawn.
- How to accept the place you have been offered. You should not reject the place unless you have a place secured elsewhere and should indicate the name of the alternative school online (or on the paper reply slip).
- If you have not been offered one of your school preferences, the reason why and who to contact for further information\*.
- Waiting list and appeal information and who to contact for further details.
- The details of schools which have vacancies, if you did not receive an offer for any of your preferences and you do not want to accept the alternative school offered to you.

*\*The notification letter does not go into the detail of why a place could not be offered and can only inform you that your child did not receive a high enough priority in the oversubscription criteria. You will be able to obtain more detailed information from the local authority where the school is located or the school itself if it is its own Admission Authority. Please contact the Admissions Team in the first instance who will be able to advise you.*

## WAITING LISTS

Your child's name will automatically be added to the waiting list for any Westminster schools that could not be offered. Any schools you named as a lower preference than the school offered to your child would have been withdrawn under the coordinated arrangements. You will need to re-apply to these schools if you want your child to be included on a waiting list.

If you have not been offered a place at a school in another borough and require waiting list information, you will need to contact the school or the borough that maintains the school.

Waiting lists are ordered in accordance with the published admission criteria for each school and places will be offered to children as vacancies arise with no differentiation between on-time or late applications.

The management of the waiting lists for Paddington Academy, Pimlico Academy, Harris Academy and Westminster Academy are delegated to the Admissions Team. Waiting list positions will be available from **31 March 2025**. Waiting lists for the remaining schools in Westminster are the responsibility of the respective schools. You will need to contact the school directly for an update of your child's waiting list position.

As a result of vacancies arising, the governors or Admissions Team on behalf of the school will determine who is offered the next place(s) in accordance with the published admission criteria and waiting list ranking. You will be notified of any offer that can be made by the Admissions Team from **31 March 2025**.

A child's position on the waiting list can go down as well as up. For example, if a new application is submitted and they meet a higher priority against the admission criteria for the school, the waiting list will need to be revised to include the new applicant. The offer of a place does not depend on the length of time your child's name has been on the waiting list and there can never be any guarantee a place will be offered.

You will be contacted at some point during the academic year to indicate continued interest to remain on the waiting list. If you do not respond, your child's name will be removed from the list unless you inform us otherwise. This exercise is carried out to ensure waiting lists only ever include children who would take up an offer for a school if it became available.

## APPEAL ARRANGEMENTS

You can make an appeal to each school where your application has been unsuccessful. Appeals are heard by an independent panel. The school will explain to the panel why a place could not be allocated to your child. You will then be heard by the panel and will need to show the school's published admission arrangements were not correctly applied or there are special reasons why your child should be given a place even though the school is full.

More detailed information about admission appeals is available at [westminster.gov.uk/admissions](https://westminster.gov.uk/admissions)

Guidance will also be provided with your appeal form should you decide to pursue this right.

If you would like to seek independent advice you may wish to contact the Child Law Advice Service which provides free legal information, advice and representation to children, their families and carers. Please see their website [childlawadvice.org.uk/school-admissions](https://childlawadvice.org.uk/school-admissions) for further details or call **0300 330 5485**, Monday to Friday for advice.

## MAKING FINAL ARRANGEMENTS FOR STARTING SCHOOL

The headteacher of the secondary school where your child has been offered a place will invite you to visit the school before the end of the summer term. You will have the opportunity to look around the school and to discuss questions such as school uniform, books, travel arrangements, midday meals and possible financial help.

By the start of the summer holidays, the arrangements for your child's transfer to a new school should have been completed so they can look forward to starting there in September.

## FREQUENTLY ASKED QUESTIONS

### What does the law require?

#### Of parents:

It is the duty of the parent of every child aged five to 16 to ensure the child receives efficient, full-time education, suitable to his or her age, ability or aptitude (and to any special need), either by regular attendance at school or otherwise.

#### Of local authorities:

It is the duty of every local authority to ensure sufficient primary and secondary schools of appropriate character and with necessary equipment are available to provide all pupils in the area with education suitable to their different ages, abilities and aptitudes.

### Does the law guarantee my child a place in the school of my choice?

You might not be offered one of your preferences, but to increase your chances of being offered one of your preferred schools, you must research the admission criteria for the schools you are interested in. You should be at least one school in your list where you are reasonably certain your child meets the criteria.

As examples, this could be if there is a sibling already at the school and this is a priority indicated in the school's criteria. Also, if your nearest school offers the majority of places based on distance, then you are encouraged to add to your list of preferences. The law allows parents to appeal to an independent panel if their child is refused a place at a school of their preference. Please refer to the section on appeals on page 18 for further information.

### Will a school know where I listed it in my application?

No. All applications are treated equally against each school's published admission criteria. Schools are not provided with the preference order as it has no relevance to the decision-making process.

### Do I have priority for a school place in the borough I live in?

No. It is against the law for local authorities to give priority to their own residents.

### Can I change or withdraw my preferences after I have submitted my application?

Once you have submitted your application, you can change the order of your preferences and the

schools you have listed up until the closing date of **31 October 2024**. Changes cannot be made to your application after the closing date, except in exceptional circumstances.

### The distance you have calculated from my home to the school is further away than the distance I have calculated on a measuring system I used on the internet. What do I do?

The local authority's geographical measuring system is used for calculating distances from home to school. Distances measured by other means (e.g. private car, pedometer or on the internet) are likely to be calculated on a different basis and should not be relied upon as evidence that the local authority's distance calculation is incorrect. The local authority's measuring system is designed to be precise, reliable and consistent, and is used for all applications.

### The school I have applied for has random allocation to decide who is offered a place. How does this work?

Some schools use random allocation instead of distance in order to determine a rank number order when there are more applications than places available. This may also be referred to as a lottery or ballot. Schools can decide how they apply this method but it **must** be supervised by someone independent of the school. This can be an individual or an external organisation. When places become available, random allocation must be used each time to determine the next offer. This will mean that there is no ordered waiting list for schools that use random allocation. Each time random allocation is applied, a record is kept that will show the rank number given to the applicants.

### If I decide I prefer a school I listed lower than the school I was offered, can I be considered for a place?

Any preferences that are listed lower than the school offered are automatically withdrawn, so any lower preferences will no longer exist. Any requests after offers have been made for lower preferences will be treated as a new late application. If the school has a vacancy, then it will be possible to offer your child a place and withdraw the original offer made to you. If the school is full your child's name will be added to the waiting list.

## SCHOOL INFORMATION

This section contains basic information for each school and a summarised version of the over-subscription criteria. You are advised to read the full admission arrangements for each school you are interested in applying to. These can be obtained directly from the respective school, their website and the local authority's website.

As many Westminster residents apply for schools located in Kensington and Chelsea, the link to the pages where you will find the full admission policy and arrangements for schools within this borough is provided below.

For Kensington and Chelsea:  
[rbkc.gov.uk/school-admissions](https://rbkc.gov.uk/school-admissions)

### COMMON DEFINITIONS

To avoid repetition, the following common definitions will apply to each school and Academy in this section, unless indicated otherwise in the school's criteria.

For all schools included in this brochure, children with an Education, Health and Care (EHC) plan that names the school will be allocated a place before any other allocations are made. Further information can be found on page 55.

### Looked After Children (also referred to as 'in Public Care')

Children in care of the local authority and children who have been adopted or made subject to a child arrangement or a special guardianship order immediately following having been 'Looked After'. Internationally adopted previously looked after children who have been in state care outside of England and ceased to be in state care as a result of being adopted. The child's social worker/Adoption Agency must submit a letter to the Admissions Team confirming the legal status of the child and the local authority to which the child is/was in care, and quoting the child's full name and current address.

### Siblings (brothers and sisters)

Children already attending the school who will continue to do so on the date of admission of the applicant. This includes half-brothers or half-sisters, adopted brothers or sisters, step-brothers or step-sisters, or the children of the partner of the parent or carer, provided they live at the same address as the applicant.

### Distance from home to school

Unless indicated otherwise in the individual admission criteria for each school, distances are calculated using a straight line (as the crow flies) measurement from the child's home 'address point' (determined by Ordnance Survey data) to the main school gate (as determined by Westminster using its computerised measuring system). The child living closest to the school will receive the highest priority; accessibility by car or public transport will be disregarded. If applicants share the same address point (for example, those who live in the same block of flats or shared house), priority will be given to those who live closest to the ground floor, then by ascending flat number order. Routes are measured to four decimal places (if necessary).

If, in the unlikely event or more applicants live exactly the same distance from the school, the offer of a place will be decided by random allocation, which will be carried out independently of the school.

### Exceptional Need

If this priority forms part of the school's admission criteria, the governors may, on an individual basis, give priority to applicants who can demonstrate admission to the school is necessary on the grounds of professionally supported medical, social or educational need and that no other school can meet this need. Parents/carers must supply details of any such special factors at the time of the original application, together with recent supporting documentation. Such applications will not be considered without professional support – such as a letter or report from a doctor, consultant or social worker. Further guidance can be found on page 10.

### Children from multiple births (e.g. twins, triplets)

Each school must set out in its admission arrangements how it considers applicants from multiple births when the admission limit may be exceeded to admit all children. In most cases, places will be offered to all children. You are, however, advised to check the full policy for the school(s) you are applying for if this is a concern for you as different rules may apply.

# THE GREY COAT HOSPITAL

## ABOUT THE SCHOOL

The Grey Coat Hospital, founded in 1698, is a Church of England school for girls aged eleven to eighteen which welcomes boys into the Sixth Form. We are a school with strong values, committed to ensuring that each student is known as an individual, develops the knowledge, skills and personal qualities to lead a successful and fulfilling life, and is empowered to do so.

The aim of The Grey Coat Hospital is "to enable students to take charge of their learning, make decisions based on Christian values, live in the world as independent women and men and meet the challenges of the twenty-first century". We aim for excellence both in and out of the classroom, seeking to develop the qualities of inquisitiveness, resilience, independence, humility and kindness. We have dedicated staff, supportive parents and experienced governors who work together to ensure that each student experiences a challenging learning journey in a reflective, creative and vibrant atmosphere.

We are proud of our outstanding examination results, our broad and balanced curriculum and our extensive extra-curricular provision. We work with a wide range of educational partners to support our aims and to enhance our work. Our affiliation with the United Westminster and Grey Coat Foundation has historic roots and provides additional benefits for our school, including inspirational learning opportunities for our students.

As an International School with Languages Specialism, we emphasise the learning of languages as we believe that it is important to develop the linguistic skills to communicate with people from around the world as well as to gain an understanding and an appreciation of other countries and cultures. We prepare our students for life and work in a global environment and for becoming leaders in their local, national and international communities.

## ADMISSION CRITERIA\*\*

The below criteria has been summarised and you will need to refer to the school website for the full admission policy and arrangements: [gch.org.uk/admissions](https://gch.org.uk/admissions)

You can also obtain further information by visiting the school on the dates set out opposite.

After the allocation of children with an EHC plan\*, the admission criteria will be applied in the following order of priority:

### Language places

Up to 15 places will be offered to applicants solely on the strength of their aptitude for languages as shown by a test given for this purpose on the languages aptitude test day.

If it is necessary to decide between applicants who have an equal score in the language aptitude test, the governors will apply the following tie-breaker: where the order of priority is otherwise equal, preference will be given to a child who lives the shortest distance\* from the school. Where it is necessary to differentiate further between applicants living the same distance from the school, priority will be decided by random allocation. Where fewer than 15 language places are allocated, any remaining places will be added to the total number of open places available.

## Banding

To fill the remaining 152 places (excluding language places) and to ensure a balanced intake from all ability ranges, all girls must sit a non-verbal reasoning test on assessment day.

The governors will refer to the result of the non-verbal reasoning test and place all of the applicants into three ability bands based on their results.

The governors will allocate the 152 remaining places on the following basis:

- 25% to applicants of above-average ability (Band 1 – the top band).
- 50% to applicants of average ability (Band 2 – the middle band).
- 25% to applicants of below-average ability (Band 3 – the lower band).

	Church of England places	Other church places	Open places	Total
Band 1 (25%)	24	8	6	38
Band 2 (50%)	50	16	10	76
Band 3 (25%)	24	8	6	38
Total (100%)	98	32	22	152

Where, after all applicants have been offered a Church of England place, other church place or open place within their band and one or more of the bands is undersubscribed, the places remaining in that band will be allocated using the same order of priority and tie-breaker as for open places, but without reference to which band into which the applicant falls. Where there is undersubscription for open places, the extra places will be treated first as Church of England places and second as other church places.

## Church of England places

Up to 98 places will be given to girls from practising Church of England families living in the area covered by the Dioceses of London and Southwark. First priority will be given to Looked After Children and previously Looked After Children\*, then to siblings\*, then other applicants ranked in order accordingly. All applicants in this section will need to comply with one of the categories A to D below.

## Other church (Churches Together in Britain and Ireland or Evangelical Alliance) places

Up to 32 places will be given to girls from families active in other churches who live in the area of the Dioceses of London and Southwark. Families active in other churches which are full members of Churches Together in Britain and Ireland or the Evangelical Alliance' as defined in categories A to D in that order of priority. First priority will be given to Looked After Children and previously Looked After Children\*, then to siblings, then other applicants ranked in order accordingly. All applicants in this section will need to comply with one of the categories A to D.

To visit the school, parents must book an appointment via the website.

All Open Events take place at the school site at Greycoat Place, SW1P 2DY. Language and Banding tests take place at the school site, 98 Regency Street, SW1P 4GH.

## ABOUT THE SCHOOL

Harris Academy St. John's Wood is a successful and thriving school that has 1,300 plus students in Y7 to Y13. We have had great success with our exam results since joining the Harris Federation four years ago, with a Y11 Progress 8 score well above the national average and our A Level results outperforming other schools in the local authority for our value added in the sixth form. The academy also had a very successful Ofsted inspection in November 2019 with many positives outlined in the report.

Our student community is made up of a diversity of cultures, ethnicities and backgrounds. We are incredibly proud of our students and consider them our greatest asset as a school. We have a modern and spacious site with excellent facilities that allow for our broad curriculum to be delivered by specialist teachers in specialist areas. The academy's vision is based on the premise of providing high support and high challenge. This means that every student, and member of staff, will be expected to do their best and they will be empowered to do so by receiving the support they need. The academy's values, determination, dedication, destiny, drive our vision as we encourage students to be determined to do well and to have the dedication required to do so, in order to reach the destiny they aspire to.

This is why we have a strict behaviour policy that does not tolerate poor behaviour that disrupts learning, whilst also taking the time to look carefully at each incident to decide the fairest and most appropriate course of action to take. We also have a weekly tutor programme of PSHE (personal, social and health education) and reading, along with opportunities to participate in careers advice sessions.

Because the safety and emotional well-being of our students is as important to us as their academic success, we have a robust anti-bullying policy and process as well as a strong Student Voice programme that means students are listened to and feel valued and have the opportunity to be prefects, tutor group reps and members of the School Council. Our curriculum and pastoral systems are both designed to support students' well-being and to drive students' progress to ensure exam success. This is why all year groups will have a Head of Year as well as a Pastoral Support Manager to oversee their pastoral needs and to support their year group's progress. We work closely with parents and value their contribution to their sons' and daughters' education. Parental concerns are always listened to.

Within categories 3 and 4 above, priority will be given to those children who live nearest to the school.

### Children from multiple births (e.g. twins/triplets)

**MARYLEBONE BOYS' SCHOOL****ABOUT THE SCHOOL**

Marylebone Boys' School (MBS) opened in September 2014 and has pupils from Year 7 all the way through to Year 13 (upper sixth form).

We have a team of dedicated staff who want the best for every student and will work tirelessly to ensure the boys (and female sixth formers) reach their full potential. We believe there are great benefits in boys-only education from Year 7. At MBS, we can see how a focus around boys' learning is having a positive impact both in terms of GCSE and A Level results – but also in allowing our students to make the most of their life choices.

The school has two brand new buildings located in the Paddington Basin. Our main school site, for Year 7 to Year 11 boys, and our Sixth Form Centre are both on North Wharf Road, a couple of minutes' walk from Paddington Station. Our students enjoy new school facilities, including two sports halls, a rooftop pitch and gym equipment, and have access to and benefit from the large number of corporate connections. With our central London location, we have strong links with several leading businesses such as Marks & Spencer, Vodafone, Visa, PA Media and the Premier league to name just a few.

The school has developed a well-rounded academic curriculum including Latin, Spanish, Political Literacy, Citizenship and Design & Technology, to ensure that the progress of all our students is excellent. Our students are at the centre of an active learning environment which encourages them to explore, investigate and critique. Our teachers consistently challenge our students to develop the skill set required for success in the real world.

MBS has a wide variety of students from different cultures and backgrounds. Students feel proud of their school and feel safe, secure, and valued. Our pastoral system engenders an environment where your son can and will excel. We have the highest expectations of the students' behaviour with clear sanctions and rewards. Your son will find a warm and welcoming school but one where he is expected to contribute to his own and the school's success.

Teachers work together to ensure student progress and academic performance are achieved. The success of MBS is well evidenced in our 2022 Ofsted report.

Our curriculum is taught in small learning groups that are based on students with similar abilities. We are committed to developing leadership skills through a broad range of sports, inter-house competitions, art and music.

The school's emphasis on good behaviour, safeguarding and strong pastoral care take an inclusive and trauma informed approach, which means every student is known personally and every student's needs and aspirations can be served. Students will develop the values of courtesy and tolerance as well as confidence and enthusiasm for learning by embodying the schools' three 'Ps' culture: Professionalism, Positivity and Productivity. This ensures they are successful, independent citizens in their school community and career.

**PADDINGTON ACADEMY****ABOUT THE SCHOOL**

Paddington Academy was judged to be 'outstanding' by Ofsted in every area in 2023, maintaining the outstanding judgement it first received in 2011. This is a consistent record of excellence achieved by only 10% of schools nationally.

Paddington Academy is proud to be a non-selective school which achieves exceptional results with any child that comes to us. We want the same things that you do for your child: for them to be well-educated, have the opportunity to go to university and to live a happy and fulfilled life. We very much look forward to working with you towards this goal. We have three values at Paddington which we believe will enable our students to climb the mountain to university. They are: **hard work, integrity and excellence**. We believe that students achieve greatness only by working hard and we help them to form work habits which enable them to give maximum effort at all times.

**We believe that integrity is an important quality:** it means doing the right thing because it is who you are, and is part of your character. Lastly, we believe that excellence is the quality of striving to constantly improve, to be better today than you were yesterday.

Paddington Academy is a school that holds students to very high standards because we believe that they are capable of reaching them. We are strict and we accept no excuses for disruption to learning or poor behaviour. We are also warm and kind at all times and the climate of the school is always positive. We seek lots of ways to develop student character through our House system and a wide range of extra-curricular opportunities.

We are part of a large group of academies, United Learning, and this means that we have access to high-quality staff and training. We are the lead school for teacher training for over 70 schools and this means that your child will never be taught by a supply teacher. We work very closely with parents and a high degree of trust exists between staff, students and parents because we know that this close partnership enables students to achieve their best. We believe that our exceptional school is home to the hardest working students in the UK.

# THE ST MARYLEBONE CE SCHOOL

## ABOUT THE SCHOOL

St. Marylebone School is a thriving example of how great education can be. Our culture of achievement is fuelled by a love of learning, grounded in Christian values and driven by a dynamic creativity and a joyful sense of community.

Our students thrive academically and evolve into young adults of whom we are really proud. They rise to our high expectations, benefit from outstanding teaching, are motivated by each other and passionate subject specialist teachers. During their time here, students develop independent learning skills, social conscience, creativity and self-confidence. They are valued as individuals while learning how they are part of something bigger than themselves.

Our staff both inspire and support. They have pride in their profession and their positive work ethic and sense of courage and joy rubs off on our students. We don't pretend that adolescence and the challenges of secondary education are plain-sailing. Rather, we encourage young people to identify and address their difficulties, learn from mistakes, overcome obstacles and know themselves and the world better as a result.

We enjoy all the opportunities of our inner London setting, making the most of the city's arts, culture, business and enterprise for our students' enrichment – yet the school sites themselves are havens of creativity, learning and reflection. St. Marylebone is here to ensure that our young people can all experience "life in all its fullness".

## ADMISSION CRITERIA\*\*

The below criteria has been summarised and you will need to refer to the school website for the full admission policy and arrangements: [stmaryleboneschool.com](https://stmaryleboneschool.com)

You can also obtain further information by visiting the school on the dates set out opposite.

After the allocation of children with a EHC plan\*, the admission criteria will be applied in the following order of priority:

1. Looked After and previously Looked After Children\*.
2. Performing Arts Scholarship places. These are offered to applicants whose daughters can demonstrate a specific aptitude for one of the performing arts (dance, drama, instrumental or choral). To assess this, girls will be invited for an aptitude test. Information about the aptitude testing process can be found on the school website. Performing Arts Scholarship applications must be submitted to the school by **Wednesday 18 September** by completing a Supplementary Information Form and indicating which specialism is being applied for. Applicants not offered a place under this category will automatically be considered for other places according to any other category that may apply as indicated on the Supplementary Information Form, or assessed under the banding process described below and, if they wish to be considered for a Church of England place, they have completed a clergy form.
3. Children of staff. Where the member of staff has been employed at the school for two or more years at the time of application or where the member of staff is recruited to fill a vacant post for

which there is a demonstrable skill shortage.

4. Church of England places. To qualify under this category, your daughter must:
  - a. Live in the Diocese of London; and
  - b. Have attended her Church of England place of worship over at least three years before the date of application to the school and her parent(s) must also have attended the church service during those three years. A year means a period of 12 consecutive months.
5. Open places. Any girl not falling within any of the previous categories will be considered for a place on an open basis.

## Banding Assessment Test

To achieve a balanced intake, each girl must attend a banding test and attend the school on the assessment day when a test will be taken. The purpose of this test is solely to place girls in the right ability band. The test result does not determine who is offered or refused a place. There will be four ability bands, each consisting of 25% of those girls who have taken the test or sent in alternative objective evidence in any given year. This means the band into which an individual girl is placed will depend on where that girl is placed in relation to the overall ability of those actually applying for places in the year in question. Girls selected for Performing Arts Scholarship places will take part in the banding arrangements and will then be allocated to their appropriate band.

## Allocating places

- 1.1 Places to the applicants who are Looked After or Previously Looked After\*.
- 1.2 Places allocated to applicants to whom Performing Arts Scholarship places will be offered.
- 1.3 Places allocated to Children of Staff\*.
2. The Band is then established for each applicant and the Performing Arts Scholarship places that have been offered are deducted from the total available number of places. 60% of places are designated of the remaining places in each band, rounded up to the nearest whole number as Church of England places, and 40% as Open places. Looked After Children and Children of Staff are included in the bands.
  - 2.1 In allocating the remaining Church of England places in each band, after deducting the number (if any) of places in that band allocated to applicants who are Looked After or Previously Looked After and girls who have Statements of SEN or EHCPs who qualify for Church of England places, we will give priority places in each band in the following order:
    - 2.1.1 To applicants who have attended a weekly service with their parent(s) / carer(s) at St Marylebone Parish Church on at least 26 occasions in each of the three years preceding the date of application to the School.
    - 2.1.2 To applicants who have attended a weekly service with

2.1.4 To any other applicants who qualify for a Church of England place.

2.2 In allocating the remaining Open places in each band (and any Church of England places not filled under 2.1 above), after deducting the number (if any) of places in each band allocated to applicants who are Looked After or Previously Looked After and applicants with Statements of SEN or EHCPs who do not qualify for Church of England places, we will give places in each band in the following order:

2.2.1 To applicants who are resident in the Diocese of London

2.2.2 To any other applicants who have applied.

**Tie-breaker:** If there are more girls in any group or category than there are places available, the order in which places will be offered will be based on where the girls live with preference given to a girl who lives the shortest distance\* from the school.

Westminster Academy is a non-selective IB World School sponsored by the Dangoor family. It is one of only two non fee-paying schools in London offering both the International Baccalaureate Diploma Programme (IBDP) and International Baccalaureate Career-related Programme (IBCP) at Key Stage 5.

Westminster Academy is an inclusive community where our commitment to students' success is combined with excellent pastoral care to ensure that students feel confident and supported. The Academy uses the IB Learner Profile as a framework for character development. We aim to develop students who can collaborate and embrace challenges as Inquirers, Thinkers, Communicators and Risk-takers; students with a growth mindset who are Knowledgeable, Principled, Caring, Open-minded, Balanced, Reflective. The IB Learner Profile and our HERO values are at the heart of Westminster Academy:

- **Honesty:** We are a Trauma-Informed School and promote a positive, open-minded environment where students respect one another and are supported by our dedicated staff body.
- **Enterprise:** We encourage intellectual curiosity, a capacity for independent thinking and entrepreneurial spirit. The unique "WA Way" of teaching and learning places emphasis not only on traditional academic subject knowledge but also on cross-curricular connections, student self-management, communication skills, technology use and critical thinking through student-centred, personalised learning experiences.
- **Responsibility:** As an IB School we emphasise the value of a global perspective and intercultural understanding, reflecting on issues that have personal, local, and global relevance and significance so that our students are equipped for the complexity of the world and human relationships, and seek to make positive contributions.
- **Opportunity:** We encourage students to try new experiences and pride ourselves on providing a broad range of high quality opportunities through our exciting curriculum and extensive extra-curricular programme, thanks to a network of links with community organisations and local and international businesses.

Over 70% of students consistently achieve grades 9–4 in English and Maths at GCSE and students make excellent progress. IBDP results are consistently above world average and our Sixth Form students achieve places at leading universities. Ultimately, however, our success is reflected in what our students take with them when they leave WA, not only in terms of academic outcomes, but also the impact Westminster Academy students can make on the world by personifying our WA values.

We look forward to welcoming students, parents and carers to our Open Days to find out more.

**WESTMINSTER CITY SCHOOL****ABOUT THE SCHOOL**

A state-funded comprehensive school for boys, with a mixed sixth form, Westminster City School is based in the heart of London, just minutes from Buckingham Palace, the Houses of Parliament and Westminster Abbey. This means transport links are excellent, enabling a safe and smooth commute for pupils and staff. We are only a short walk from the stations at Victoria and St James's Park, and are also served by around 20 different bus routes.

Our School has a proudly comprehensive intake and a strong Christian ethos, welcoming those of all faiths and of none. Our diverse pupil body reflects the city around us and we are proud to have 14 out of 17 possible ethnic groups represented, plus links to over 100 countries amongst our School community.

At Westminster City School, we offer exceptional learning opportunities and strong pastoral support to ensure pupils reach their potential. As a relatively small school, we quickly get to know our pupils as individuals and can teach in smaller groups, ensuring every pupil enjoys coming to school and challenges themselves to be their best.

Westminster City School celebrated a truly outstanding set of GCSE results in 2023 with outcomes higher than in 2022, well above national averages and significantly up on 2019 results, the last time that there were comparable grade boundaries.

The school has bucked the national trend with the students' achievements higher than in the year 2022 across a range of measures. Whilst the proportion of 9 to 7 grades fell nationally to 22.6%, at Westminster City School the proportion of these grades rose by 5% to just shy of 33% of all GCSE grades. Almost 55% of grades in vocational qualification were at the equivalent of Grade 6 and above.

Alongside our academic excellence, we provide extra-curricular activities and events, plus guidance on future studies and careers, to equip our young people with the life-skills and experiences needed to flourish. Our inspirational alumni, which includes Star Wars actor John Boyega and Wes Streeting, MP for Ilford North, continue to make a difference across the globe.

## ADDITIONAL INFORMATION

### IN-YEAR ADMISSIONS

[westminster.gov.uk/admissions](https://westminster.gov.uk/admissions)

020 7745 6433

An in-year admission is when an application for a school place needs to be made outside the normal admission round (the first year of entry to a school). In most cases your reason for making an application will be that you have moved to a new address, moved from abroad or you would like to transfer your child from one school to another. There is a separate process for applying in-year for a school place.

### FAIR ACCESS PROTOCOL

[westminster.gov.uk/admissions](https://westminster.gov.uk/admissions)

020 7745 6433

Every school is committed to taking its share of vulnerable children who are hard to place in accordance with locally agreed protocols. Accordingly, outside the normal round of admissions, the school governing bodies are empowered to give absolute priority to a child whose admission is requested under Westminster's fair access protocol, which carries the agreement of both the governing body and local authority for the current admission year. School governing bodies have this power even for cases when admitting such a child would cause the school to exceed its published admissions number.

### ASSISTANCE WITH HOME-TO-SCHOOL TRAVEL

020 7361 3311

All children under 16 in full-time education can travel free on bus and tram services. All school pupils will be required to carry a Zip Oyster photocard to travel free on buses and trams. For further information, please visit the Transport for London (TfL) website: [tfl.gov.uk](https://tfl.gov.uk)

It is expected children who are resident in the Royal Borough make use of the concessions offered by TfL, including free travel across London. However, there may be circumstances where travel assistance is required outside the scope of free arrangements offered by TfL.

If you wish to apply for home to school travel assistance for your child or young person please contact the Travel Care and Support Co-ordinator on 0207 361 3311 or alternatively you can request an application form via email: [travelassistance@rbkc.gov.uk](mailto:travelassistance@rbkc.gov.uk). The full policy and application form are also available online via the local offer and council website.

### SUPPORT FOR SCHOOL ATTENDANCE

020 7641 4000

After you have been allocated a school place, making sure your child attends school regularly and on time every day is really important, not only to make sure they have the best possible chance to get the most out of their education but also because children who are not in school are more likely to get into trouble outside school or be vulnerable. Parents have a legal responsibility to get their children to school, but if you are having difficulties with this, it is important you talk to school staff, who are there to help you. You or school staff may feel you need some extra help.

Each borough has professional staff who work with families with children who are not attending school. They are based in the Early Help Team if you live in Westminster and you can contact them on **020 7641 4000**. This multi-disciplinary team will work with schools, children and parents to improve children's school attendance and reduce unnecessary absence and truancy.

### EDUCATIONAL PSYCHOLOGY SERVICE

020 7361 3311

Every primary and secondary school works with an Educational Psychologist (EP) – a specialist in how children, young people and young adults develop and learn.

Schools have a limited amount of free access to an EP to support them manage Special Educational Needs processes and systems. In-addition schools can buy in school visits from their link EP.

Help may be asked for when pupils show difficulties with their social-emotional development (including wellbeing/mental health), behaviour, learning or progress generally in school. EPs can only directly work with a named pupil if parents/carers give informed consent. Parents/carers themselves may ask for their help through the school. EPs can also provide general consultative support and guidance for groups or school wide issues as well as research and training.

### SPECIAL EDUCATIONAL NEEDS AND EDUCATION, HEALTH AND CARE NEEDS ASSESSMENTS

[localoffer.westminster.gov.uk](https://localoffer.westminster.gov.uk)

020 7361 3311

Most children and young people with Special Educational Needs (SEN) and/or disabilities will have their needs met within local mainstream early years settings, schools or colleges. The Local Authority works with all settings to help them with identifying, assessing and making provision for pupils with SEN. All mainstream school and college settings have delegated funding so that they can meet the needs of pupils with SEN.

If you are applying to a new school and you think your child may have a special educational need, the first step is to talk with the headteacher and/or SENCO when you visit the school. They will be able to talk to you about the support they provide for children with learning needs and how they could meet your child's needs. They must also publish this information on their websites: this is usually called their SEN Information Report. The Local Authority expects all mainstream schools to support children with special educational needs, and to work with parents to develop an SEN Support Plan: this will record what is happening to support your child, and the progress s/he is making as a result.

Some children and young people with SEN or disabilities may need support that cannot be provided from the resources of a mainstream school alone. Once all the resources and support in the school have been put into place and there has been time to see what the effect is, the school may then discuss the possibility of an Education, Health and Care Needs Assessment with you.

This assessment is coordinated by the local authority and as well as education, it involves health and social care assessments. However, the school would discuss this in detail with you before requesting an assessment, and an assessment would only take place with your clear agreement.

If your child already has an EHC plan, the information relating to the application process set out in this brochure does not apply to you as the Local Authority needs to work with you to agree the best place for your child.

### SEND Local Offer

Below is a link to the SEND Local Offer website – please can you provide as interactive as this brochure will only be made available online.

### Children with Education, Health and Care Plans

If your child already has an EHC plan, the information relating to the application process set out in this brochure does not apply to you as the local authority needs to work with you to agree the best place for your child. To discuss these arrangements, please contact the Special Educational Needs Service on **020 7361 3311**.

### CHILDREN WITH DISABILITIES TEAM

020 7598 4921

This team offers information, advice, support and practical help to families with children who have a permanent and substantial disability or long-term illness that affects their everyday living. The team offers advice on how to access services available for children and young people who have disabilities.

### FAMILY INFORMATION SERVICE

[fisd.westminster.gov.uk](https://fisd.westminster.gov.uk)

07971 625 922

The Family Information Service (FIS) provides a statutory information service to prospective parents, parents, carers, guardians, children and young people up to their 20th birthday. The service offers accurate, impartial information and guidance on childcare, activities for children and young people, and other children's and young people's services in Westminster.

### How long do we keep your information?

The Admissions Team will keep your application record for three years. After this time it will be deleted.

### How is your information retained?

Article 6 (1) of the UK GDPR states that processing shall be lawful only if and to the extent that at least one of the following applies. The Act lists 6 lawful basis. In this instance, the council asserts that it is processing data under 6 (1)( e) "processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the data controller". In line with the ICO, the term Public Task to signify, reference is made to Article 6 (1)(e ).

The public task for School Admissions is the law which states that the LA must coordinate admission applications for the first point of entry to Reception, and the transition point from primary to secondary school for entry to Year 7. The team are required to coordinate admissions for all state maintained schools that participate in coordination.

The above establishes that the council has both a public interest task and duty to respond to EHE Assessments. Processing (including documenting) assessments takes place under the Public Task basis. The data protection regulator, Information Commissioner's Office [ICO] notes that a specific power is not needed to establish the Public Task lawful basis. Please note, under the Public Task basis, the right to erasure is set aside. The right to object remains, but the right to rectification will only apply to factual content, rather than a difference of opinion. The council may consider accepting addendums to be placed on records where there is a dispute based on opinion, but this will be on a case by case basis.

In addition, the council has other duties associated with maintaining adequate records of its transactions (activities, correspondence) as set out under the Local Government Act 1972 section 224. Specifically, evidencing its transactions, requires considering the integrity of those records. The council is also subject to the Code of Practice on the Management of Records issued under section 46 of the Freedom of Information Act 2000. Included in the Code is the requirement to adhere to "three principles of value, integrity and accountability... to manage information and maintain a record of their (Public Authorities) activities". When viewed together the council must be able to maintain records of its transactions as they happened.

### Changes in your circumstances

## IS YOUR CHILD UP TO DATE ON THEIR VACCINES?

Being up to date on vaccinations is the most important thing we can do to protect ourselves and our children against getting ill.

### MMR

Has your child had both courses of the measles, mumps and rubella vaccination (MMR)? Measles and mumps are highly infectious and can be very unpleasant. If your child has missed one or both courses of the MMR vaccine, it's not too late. Ask your GP for the free vaccine.

### MenACWY

The MenACWY vaccine is offered to children aged 13–14 to protect against 4 strains of meningitis and septicaemia which can be deadly.

### HPV

From September 2019, all 12 and 13-year-olds will be offered the human papillomavirus (HPV) vaccine. Currently, this is only offered to girls. The vaccine helps protect against cancers caused by the virus.

It's important to have both doses of the vaccine to be protected. Anyone who missed their HPV vaccine can continue to receive it until their 25th birthday.
